

HYGIENE GUARANTEE

FOR BED LINEN AND TOWELLING

Dear guests,

Your bed linen and towelling made from high-quality textiles are guaranteed to be hygienically washed:

- **chemo-thermally, listed disinfectant washing processes according to the Robert Koch Institut, Berlin**
- **temperatures of at least 60 degrees Celsius**
- **disinfectant effectiveness against bacteria and viruses, as well as the **corona virus** (SARS-CoV-2)**
- **processes are subject to regular inspections and audits by independent university and hygiene institutes**

WE WISH YOU A PLEASANT STAY!
